## What WCPD Offers:

**Scalability** — we are able to assist with financings from \$500,000 to over \$30,000,000. We can help you organize financings targeting small exploration work to multi-rig exploration.

**Experience** — with over 500 financings closed during 15 years, we have the well-rounded experience and know-how to provide a seamless process.

**Client base** — with a strong client base in every province across Canada, we look forward to matching our investors to your projects based on their location to ensure the highest premiums on your shares.

**Service** — we will go over and above to ensure we deliver on your expectations, your satisfaction is our #1 priority.
