WCPD.com

What WEALTH Offers:

Scalability

We are able to assist with financings from \$500,000 to over \$30,000,000. We can help you organize financings targeting small exploration work to multi-rig exploration

Experience

With over 675 financings closed during 17 years, we have the well-rounded experience and know-how to provide a seamless process.

Client base

With a strong client base in every province across Canada, we look forward to matching our investors to your projects based on their location to ensure the highest premiums on your shares.

Service

We will go over and above to ensure we deliver on your expectations, your satisfaction is our #1 priority.
